RE: California Nurses Association Political Action Committee
Identification Number: C90013616
Reference: Year End Report (FEC Form 5 10/1/2012 – 12/31/2012)

Dear Mr. Holly:

On behalf of our client, California Nurses Association Political Action Committee, we write to respond to the letter dated July 29, 2013 (copy enclosed) which raises two questions regarding our client's Report. Our firm prepares and files reports on behalf of our client.

The first question relates to an independent expenditure made to The Campaign Workshop for a mailer on October 27, 2012 in the amount of \$4,502.10. We reviewed our file, and it is clear that the 24-hour Report was prepared and signed by our client, and then it was faxed by our office. However, according to the fax receipt, the fax to the FEC did not go through, and this was simply not noticed at the time. Of course, we take full responsibility for this error.

Your letter also requests additional information regarding any contributors who made donations in excess of \$200 to fund the independent expenditures disclosed on our client's report. Federal regulations require a person filing FEC Form 5 to identify each person who made a contribution in excess of \$200 to the person filing the report if the contribution "was made for the purpose of furthering the reported independent expenditure." (11 CFR 109.10(e)(1)(vi).) Our client did not receive any contributions in excess of \$200 for the purpose of making the reported independent expenditures. Accordingly, the year end Report is complete and accurate, and no amendment is required.

Very truly yours,
